This substantially extended and much-improved three-bedroom home offers spacious, versatile accommodation arranged over three floors, ideal for modern family living and entertaining.

The current owners have made a number of thoughtful improvements, including the addition of an entrance porch and a convenient ground-floor WC. The bright front lounge provides a welcoming space in which to relax, while the generous breakfast kitchen features a breakfast bar and adjoins a practical laundry and utility area.

On the first floor, there is a large principal double bedroom with two windows to the front aspect, a second double bedroom benefits from fitted wardrobes and a good-sized third bedroom currently accommodating bunk beds. The family bathroom is spacious with large free-standing bath and separate shower.

Stairs lead to a versatile second-floor hobby room, ideal for use as a home office, creative studio or teenager's retreat. This level also benefits from a handy shower room and walk-in wardrobe. The space may offer potential for use as a fourth bedroom, subject to any necessary planning permission and building regulations.
