OPEN DAY **Saturday 10th October**

NO CHAIN AND FREEHOLD – A stylish FIVE BEDROOM townhouse arranged over three floors (approx. 1314sq. ft) in the heart of Crosby Village. With exposed brickwork, high ceilings and a wide stairwell, the interior has the feel of a loft apartment while offering plenty of room for family life.

The split-level ground floor brings the kitchen, dining and living areas together in one bright, open space. A sleek, modern kitchen has a breakfast bar and integrated fridge and freezer, while an electric fire gives the seating area a focal point. A separate utility and laundry room keeps the practical side of the home tucked away.

On the first floor, the first bedroom is large enough for a super king bed and is currently used as a home office and sitting room. There is also a further double bedroom and a family bathroom with both a bath and separate shower cubicle. The spacious hallway continues the home's light, open feel.

The second floor has three more bedrooms. The generous main bedroom features exposed brickwork, fitted wardrobes and wood flooring, alongside another double bedroom and a single bedroom.
